

The President’s Volunteer Service Award Coordinated by N-CAP

The President’s Volunteer Service Award is an initiative of the Corporation for National and Community Service and is administered by Points of Light. Through a shared mission of inspiring more to answer the call to service, the President's Volunteer Service Award celebrates the impact we can all make in bettering our communities and our world. The award is given to individuals that have demonstrated outstanding volunteer service and civic participation over the course of a 12 month period. N-CAP recognizes volunteer work completed during the period of March 1st through February 28th. Our deadline for submission is March 10th.

Any individual can receive Presidential recognition for their annual commitment to volunteer service. In addition, individuals who complete 4,000 or more hours of volunteer service over the course of their lifetime will be recognized with the President’s Call to Service (Lifetime) Award.

To earn an award, individuals must keep a record of volunteer activities served. You can log your activities in a spreadsheet on the computer. In Niskayuna, a ceremony sponsored by N-CAP, is held each Spring to honor volunteers who performed enough service hours in a year to receive a certificate of recognition. The criteria are as follows:
